BUDGET REQUEST

Please complete the below in discussion with your supervisor in the host centre after starting your fellowship. Authorisation signature of host supervisor is required for the funds to be transferred (The total grant for 3 months is 4000 Euros maximum and for 6 months is 9000 Euros maximum but the fellow doesn't have to necessarily use the full amount – most fellowships cost less than the total grant). Please note that no additional grant will be provided.

	<i>Expenditure Monthly</i>	<i>Total for</i>
		3 months 6 months
Travel costs [based on 1 return ticket, most economical transport]		
Visa and related costs		
Health Insurance (in the country of destination)		
Accommodation (housing on campus or outside) – please find the most economical accommodation as much as possible – expenses for family members will not be paid		
Pocket money (for food, local transportation and other expenses - maximum 400 Euros per month)		
Institutional fees or fellowship arranging fees in the host centre (if any)		
Other costs		
TOTAL		

Please note that all relevant bills/receipts should be submitted along with the final grant accountability report at the time of fellowship completion, so please enter the details as accurate as possible
